A Note from Tom...

Dear Brothers and Sisters at East Shelby,

This summer has been an incredible blessing to me! I owe so many of you thanks because this congregation has given me new motivation to spread God’s word and work with other brothers and sisters to grow the kingdom.

From the start there were those of you who bought me suits, helped me with my car, and fed me like crazy. Now that I’m three days from leaving you’ve given me furniture, picked up furniture for me, and treated me like family.

I John 3:16–17 reminds us that Christ’s love is manifested by Him giving His life for us. You have manifested your love by generously giving to many who have need. This summer I have been blessed to see a congregation that truly sees the hungry and feeds them, the naked and clothes them, the imprisoned and sick and visits them. Christ knows that we love Him when He sees us treat our brothers as Christ treats us (Matthew 25). You have made that message loud and clear.

You have all given me so much. The only thing I have left to ask for is your prayers. James 5 says that the prayer of a righteous man avails much and there are many righteous here. It is my prayer that your love abounds more and more to each other and next year’s intern. It has been a true blessing to be here this summer, and I will come back for visits when I can.

I’ve been told horror stories about congregations who take preachers , beat them up and, leave them for dead by the side of the road. This is not one of those congregations. East Shelby is a safe congregation where young men like me are blessed to learn— it’s a good Samaritan of a church with the best interest of its members at heart. I have been richly blessed by being here, and have made some incredible relationships here. Because you have been such a wonderful family I have learned many lessons that I will take to Southside in a few days which means the impact of your influence is far reaching.

Sunday, I said that East Shelby represents hope, and it does. Hope that God will bless others with the kind of family and growth that you all have!

Thank you all very much for all that you do! In Christ

Tom

FAMILY TALK

One person's observations about people, places, and things.

- ☛ The summer is almost over... It's been a hectic one with an internship and my crazy schedule. I appreciate Tom's work this year—he'd be the first to tell you that it ain't easy working with me. I pray that God will be with him in Springfield. As for my schedule... it's still crazy. See ya next Sunday!
- ☛ For those of you wondering if that person was upset with me putting them in the bulletin last week...YES. OOPS! I think I just did it again.
- ☛ The guys are back from their golfing trip. I can't wait to hear stories. It's kind of like a fishing trip. Instead of the fish getting bigger, the putts get longer and the breaks get wider every time you hear about it. Good to have you back guys!
- ☛ I was so excited to hear about Krissy Dees' decision to put on Christ through baptism last week. We rejoice with the angels!
- ☛ Teaching with a nurse is difficult. Matt Bishop let Eric Eskew and I know he wasn't going to teach Wednesday night about thirty minutes before class... Next time I want to teach with an insurance agent. We know their work hardly ever gets in the way of teaching...
